

IN THE DRAWINGS:

Pleas note th copy of the originally submitted Fig. 6 which is shown with the block "DESTROY NOW" and shown marked with a red "X".

Please replace the original Fig. 6 with the attached corrected copy which shows the referenced block as "DEPLOY NOW".

REMARKS

Accordingly, as per the attached drawings, Applicants are providing a newly-corrected Fig. 6, which can be used to replace the previous Fig. 6.

In the previous Fig. 6, there was a block which was inscribed with the statement "DESTROY NOW". This was incorrect, as this statement should have read "DEPLOY NOW".

An attached Deposit Account Authorization will authorize the Patent Office to make any charges which are incurred as a result of this Preliminary Amendment.

Respectfully submitted,
